(Something to Think About...)

✓ Local Homegrown NYC Company.

✓ We travel to your home or child's school.

✓ We work with your student's availability.

✓ Every tutor has an advanced degree: masters or a doctorate.

✓ Our advanced degrees are in fields related to education and learning differences.

✓ Our tutors have experience teaching in the area your child needs support.

✓ We are Pros: Follow an evidence-based individualized teaching model.

✓ CEO has expertise in learning differences and is a licensed therapist.

✓ No financial obligations.

✓ Our team has a multi-disciplinary approach. (CEO, Director, and more!).

✓ We have expertise in BOTH regular education and learning differences.

✓ Corporate America or local company?

✓ Travel to them.

✓ Might have to cancel an extracurricular activity or two.

✓ Might end up with a tutor without an advanced degree.

✓ A masters in education degree doesn't include training in learning differences. Tutor might also have an advanced degree in an unrelated field.

✓ Tutor might not have professional experiences outside of tutoring in the area your child needs support.

✓ Tutor follows a script approach e.g. doesn't think on his or her own feet.

✓ CEO might not be directly involved in helping you or have professional experience with learning differences.

✓ Might have financial obligations before starting.

✓ Varies.

✓ Many tutoring companies are jumping on the executive functioning bandwagon.
