

EVER HEARD OF EXECUTIVE FUNCTION/ORGANIZATIONAL COACHES?

They're like the ultimate skill superheroes. They're here to help you make life a whole lot smoother.

Great news – our Coaches are also super flexible! They can come to you or connect with you remotely, whatever works best for you!

Here's what they can help you with:

- **Prioritization**
- **Planning**
- **Task Initiation**
- **Sustained Attention**
- **Organization**
- **Time Management**
- **Remembering / Studying**

Quick question:

Do you have a preference for a male or female coach? No worries if you don't mind – we've got a bunch of options either way.

We want to make sure your Coach totally gets you. What kind of personality really motivates you? Are you into someone who's super energetic and always on the go, or do you vibe with someone calmer and more laid-back?

Learn More ...

Is there anything specific you want your Coach to be an expert in? Like, maybe you're all about improving your study skills or acing your math homework?

We're all about fitting into your schedule. Are there particular times or days that are best for you to work with a Coach? Just let us know, and we'll make it happen.

Lastly, any strategies you're itching to learn? Whether it's time management, study hacks, or confidence boosters, our Coaches are here to help you level up.

Can't wait to hear your thoughts!
